

# A GIA SPECIAL SEMINAR... SYNTHETIC DIAMONDS "HERE & NOW"

One night only & limited to 100 places.

Don't miss out... book now.

On the 28th of October Wuyi Wang Phd Director of research and development of the GIA will be sharing his extensive knowledge on synthetic diamonds as the GIA have presented the Diamond Dealers Club Of Australia with a Diamond Check machine. In addition Tom Moses Senior Vice president of the GIA will be in attendance to answer questions. A rare and exclusive event not to be missed.

*"I strongly recommend you to attend this lecture to understand what are synthetic diamonds."*

Bill Sechos, Gem Studies Laboratory
